Here are the results of the 2007 edition of the Loop Rally

Congratulations to Kurt & Bic on their excellent first place finish, and to Josh & Tibor as runners-up. Unfortunately Josh will not be able to score Rally West points for this result, as Tibor is an illegal (not to mention distinctly alien) navigator. Viktor and Jason managed to escape the swamp alligators to place first in novice.

Many thanks to all the volunteers who made this event possible. Jeff Braun as sweep, Kris & Jaclyn Schofield, Shawn Bishop, Neil Wright and Keith Morison as control marshals (Keith managed to get all the scores entered in his spare time!!) Kurt Schantz for the web site, and to Geoff Hill for keeping me pointed in the right direction in Car 0.

See you all next time - Peter
