**Location of Notice Board:**

The Official Notice Board will be located in the registration room at the Best Western all day Saturday, May 23. It's location through the day Sunday, May 24, will be confirmed and posted.

**Quiet Zone:**

There is an extremely sensitive quiet zone (50km/h) between Instruction 7 (6.00 km) and 12 (10.46 km) on the transits from the end of the Westside and Forster Creek Stages. Teams must make every effort to not only adhere to the QZ speed limits during recce and the event, but also to drive as respectfully and as quietly as possible.

**Our ability to continue running events in this area depends on this quiet zone being respected.**

**Service Park:**

A diagram of the service park is attached. Teams are asked to email the registrar at Keith@Morison.ca with their top three preferred service spots, indicating if you are sharing service resources with another team. The service spots are as follows:

- 1 - 12 18'w x 40'd paved
- 13 - 35 18'w x 30'd paved (17 - 19 are less desirable)
- 14 - 23 18'w x 36'd paved (20-24, broken pavement)
- 24 - 29 18'w x 48'+d gravel (reserved for excessively large service rigs)
- 30 - 34 18'w x 36'd paved (only available if needed)

**Seeded Draw:**

The start order based on the seeded draw is attached. Questions or concerns should be sent to the clerk of the course and copied to the steward of the event.

**Recce Schedule**

The stages are open for recce according to the following schedule:

- Dog Leg Reverse: 10:30am to 11:30am
- Forster Creek 11:45am to 3:30pm
- Westside 10:30am to 3:30pm

Note: if you recce Dog Leg Reverse and Forster Creek, you will have covered the entire route for the rally and you just have to pay attention to where the routes connect to make Westside. (6.1km into Dog Leg Reverse is the same intersection as 8.77km into Forster Creek) Teams should have ample time to recce all three stages in their entirety.

More comprehensive recce instructions will be given to teams in their competitor packages.
