

2007 Cochrane Rally of the Ranchlands

Notice to Competitors

March 14, 2007

Competitors are advised of the following items:

1. The Calgary Sports Car Club will be hosting a basic pace noting class on Friday, March 16, 2007, at the Cochrane Travelodge, 8:00pm to 10:00pm. The class will be presented by Keith Morison, Rally West Regional Director and 2006 Canadian P4 Champion and North American PGT champion Co-driver. If you plan to attend, please register by email to Keith @ morison.ca. There is no charge to registered competitors. Non competitors may attend for a registration fee of \$20.00.
2. There will be early registration available at the pace noting class Friday. Competitors may present their documents (vehicle insurance and registration, driver's and CARS licences, first aid certificates etc.) at this time and receive their registration package. Competitors must still attend the mandatory reconnaissance meeting prior to carrying out reconnaissance.
3. Registration on Saturday morning will be in the lobby of the Travelodge hotel. Competitors are requested to limit the number of people in the lobby of the hotel to four at a time to reduce the impact on the hotel guests.
4. The location of the seed 5/6 meeting and introduction of officials is to be determined. Due to the large number of competitors, the meeting room at the host hotel may not hold all of us. Further information will be provided at registration.
5. Due to the large number of competitors, trailers will not be permitted in the service area. Competitors will be required to limit their service area to approximately three parking spots. If taken to the Forest Reserve service areas, trailers must be left outside the entrance road.

Thank you,

Josh Keatley
Coordinator, 2007 Cochrane Rally of the Ranchlands
